Cancer

For early detection (Stage 0 or Stage 1) – **Corebridge SimpliNow** is your **BEST** option, even if still being treated (certain cancers only)

For other cancers, a minimum **2 years clear** of diagnosis and treatment is the rule of thumb (longer for some)

Any metastatic cancer, multiple cancers, or recurrent cancers will be a **knockout** for all Traditional SI

Aetna	(Excluding basal cell/squamous cell) Within last 2 years - Decline More than one occurrence - Decline
